Please see your Merlin Dealer for actual vinyl samples.

The Merlin Guarantee

All Merlin Liners are manufactured from 100% High Performance North American vinyl!

All of our vinyl liner patterns come from suppliers located in the United States or Canada. We refuse to import low-cost vinyl from countries whose formulation and quality standards are not regulated like they are in North America. We can ensure that high quality standards are followed in our vinyl production, compared to companies that rely on cheap off-shore manufacturers.

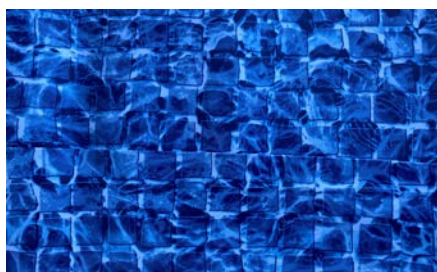

When someone says “Make Mine a Merlin”, it’s because the name Merlin Industries is your assurance of a professional product and the best value for your investment.

Our liners are made with better-quality materials that are made to withstand the elements and last over time.

In a Merlin liner, appearance and quality construction come together beautifully and it all begins with the pattern design. We have an array of pattern selections to fit any style. Check out our 2023 Collection which features Aqua-Max, Aqua-Intense, ReNew and our brand new Paddling Paws product lines.

Our liners are custom designed to provide the best fit and durability. Our designs are specific to your pool and do not rely on extreme stretch to fit. Each liner is CAD-designed and custom manufactured to accomodate steps, angles, objects and unique configurations.

Merlin’s Silk Seam process creates a flatter, less visible seam that is easy on your feet and less likely to catch debris!

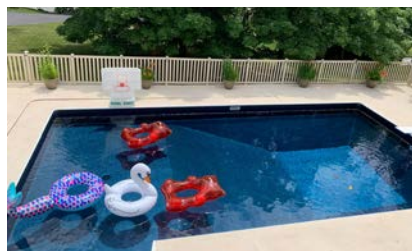

Merlin Signature liners are exclusive patterns developed in collaboration with professional designers.

Choosing the Perfect Liner

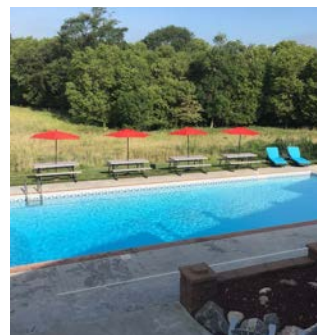

Environmental Considerations

Your pool's water color will look different based on various environmental factors including, time of day, weather, and the amount of greenery in your landscaping.

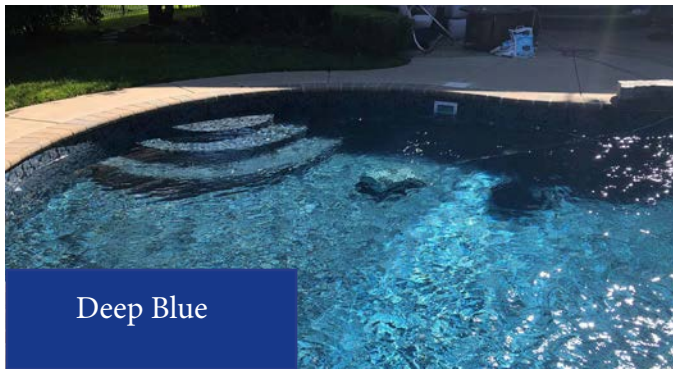

The 3 Shelter Cove photos above and the 3 Caswell Beach Tile with Sandy Point Floor photos below show how the same liner can look different based on various environmental considerations.

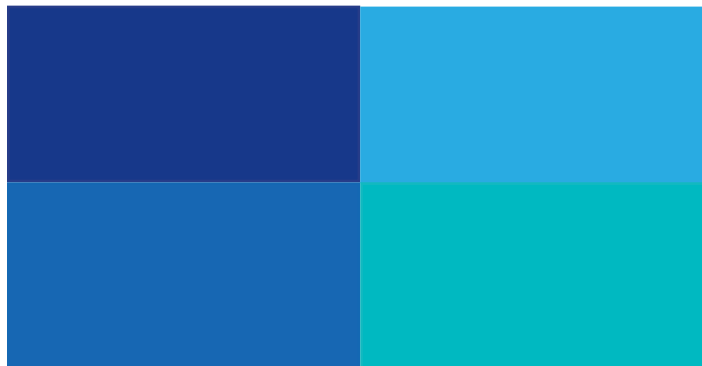

Water Color

When selecting a vinyl liner pattern for their pool, most people want to know what color it is going to make the water appear. Merlin Industries understands how important water color is in the liner selection process. To help with this, we have added a water color chart to our liners.

Please keep in mind that these colors are a general guide and that the actual water color may be different based on conditions surrounding your pool including landscape and greenery, time of day and depth of your pool.

Look for our Water Color Chart throughout our liner selections.

2023 Collection

ReNew

The first sustainably made, high-performance pool film.

- ReNew is the first and only sustainably made, high-performance pool film.
- ReNew is a high-performance, luxury vinyl pool film with 51% pre-consumer recycled material content.
- Pool films made with ReNew Technology are certified to contain 51% recycled content by SCS Global Services, an international leader in third-party certification, validation, and verification for environmental, sustainability, and quality performance claims.
- Merlin Industries will be offering two options for ReNew patterns in 2023.
- Ask about our ReNew Champions program as a way to give old liners ReNewed life as a non-pool waterproofing product. Available in NJ ONLY.

“TESTED, TRUSTED, PERFORMANCE:
ReNew helps offset your pool’s environmental footprint”

Aqua MAX Liners

FROM MERLIN INDUSTRIES INC.

For years, pool owners have been looking for a better pool liner, only to be told that all they can do is get a thicker liner. Thicker liners are still subject to the same ultraviolet, chemical and heat damage as standard liners.

Aqua-Max liners are specifically formulated of a high molecular weight polymer to provide greater ultraviolet resistance and far greater resistance to today's pool chemical systems and chemical misuse. Aqua-Max vinyl also contains over twice as much anti-fungal and anti-bacterial protection than standard liners.

Aqua-Max Liners Only from Merlin Industries!

- 50% more top coat to help prevent scuffs & stains.
- 25% better resistance to chlorine bleaching.
- 25% longer life expectancy than standard liners.
- 20% more UV resistance for longer lasting color.

Upcharge Applies

When you see *Upcharge Applies, what does it mean?

Standard pricing starts with traditional vinyl material in 20 mil. Upcharges apply for a variety of upgrades.

An upcharge will apply for:

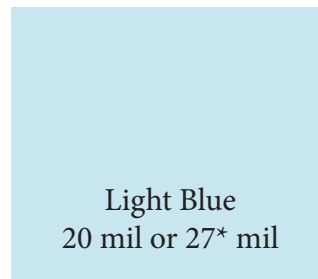

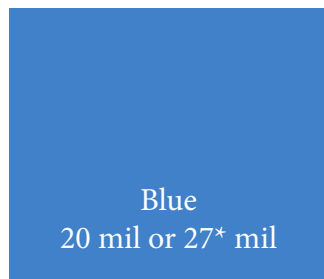

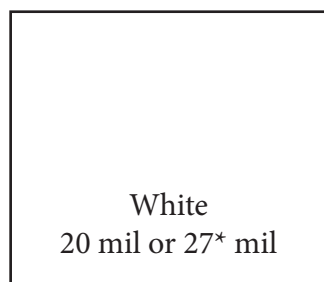

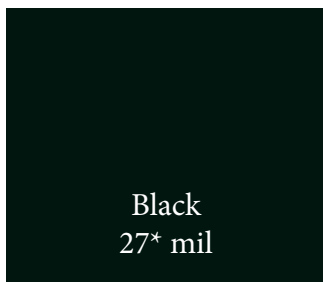

- Textured Material
- 27 mil Material
- ReNew Material
- Paddling Paws Material
- Aqua-Intense Material with texture, luster or both
- Aqua-Max Material

Solid All Over Patterns Available

Solid Black Liner

*Tex-Step Textured Vinyl will be applied to all step, sundeck, swimout and bench orders. Please specify if you would not like the tex-step material.

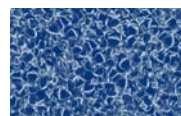

Scan to see additional liner patterns available in our Going, Going, Gone series.

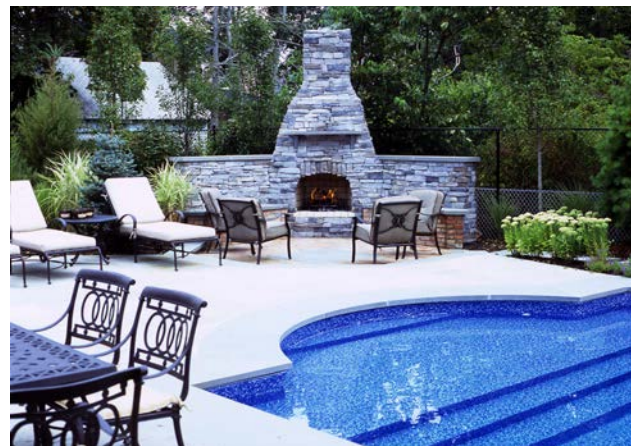

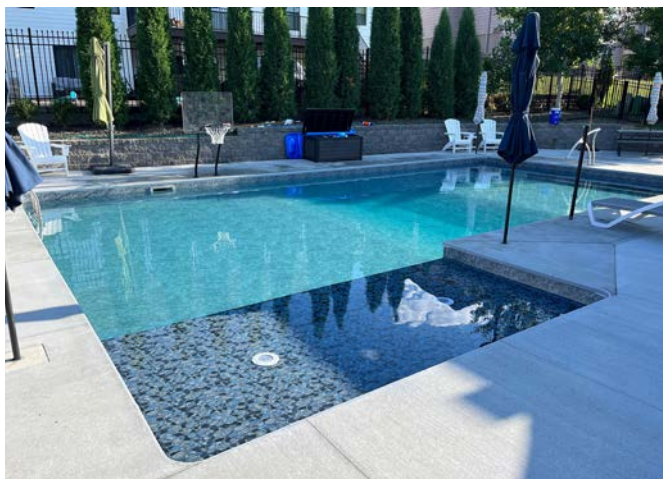

Customize Your Liner

Every Merlin Liner is made custom ordered to fit your needs. In addition to the customized fit, you can also customize your liner pattern choice in many different ways.

All Over Patterns

Every Merlin pattern is available in an all over selection at no additional cost to you. If you see a floor you love but you don't enjoy the tile, ask for the floor as an all over pattern instead!

Mix and Match

Want your steps to be solid and the rest of your pool to have a pattern? No problem! Merlin has you covered with all your liner needs.

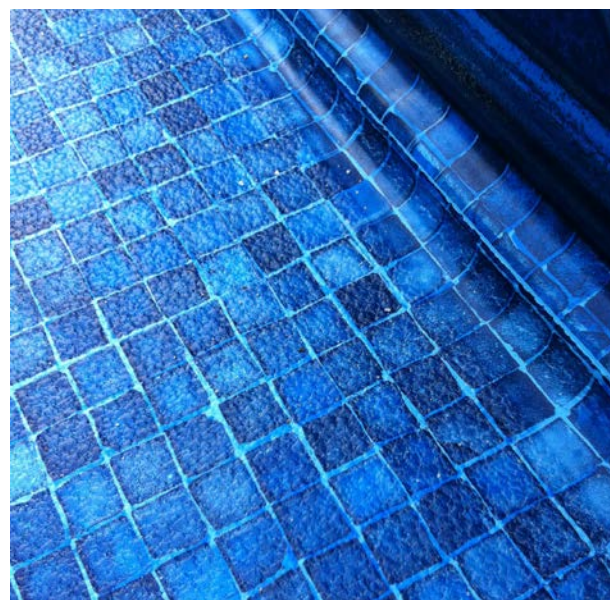

Tex-Step Textured Vinyl

Tex-Step textured vinyl is the new standard for your pool steps, sundecks, swimouts and benches.

Merlin offers textured vinyl in all of our floor patterns to coordinate with your pool bottom choice. Textured vinyl provides better slip resistance than standard vinyl and helps make your pool safer for kids, friends and summer fun. You will automatically get textured vinyl on your steps and benches unless otherwise requested.

Liner Thickness

Many of our liners are available in 20 mil or 27 mil. Choose the mil that is best for you! Check out our Value-Max and Super Value Max patterns to save on upcharges!

When it comes to safety, MAKE MINE A MERLIN!

Secure your swimming pool with a professional safety cover to protect your investment and your loved ones!

Scan here to learn more about Merlin Safety Covers:
